Dave henrie davehenrie on Mar-09-2010 We need some more layouts, like the one they raced in FIA-GT this year.. Runoff looks like Abu Dhabi doser on Oct-29-2010 Anyone knows where i can get a better LOD and Thmb.. Who is the saint who inserted the link? Kniker97 on Aug-17-2012 great track, but the runoff is really bumby, thats crazy steijnio on Apr-17-2011 Can someone could improve fps? Ciudio on Nov-22-2010 Amazing looking track, but the road surface and runoff are so bumpy it's unbelievable.. Is this possible? I thinkit shouldbe the narrow first chicane and the long straight.. Is this possible? I thinkit shouldbe the narrow first chicane and the long straight.

The layout they use is a combination of the two currently available tracks The GT track is used for the first series of turns and then the long long backstraight without the chicanes is used for the rest of the layout.. The Le Mans prototypes have tested there the last several years and will also run a full race this year..  The media files you download with aiohow org must be for time shifting, personal, private, non commercial use only and remove the files after listening.. 8 5 Track Circuit Paul Ricard v1 05 Included Layouts: PAUL RFactor Central The world's largest site for rFactor racing simulation PC game by ISI, Image Space Incorporated.. And if that area where the Chicane track crosses the main backstraight could be smoothed out some, that would be even better.. No biggie, after 10 seconds in the TDF file it's now brilliant Best scratch made track i've seen for a while on rFactorCentral.. So my request would be to combine the two tracks, use the GT layout for the first sharp left turn, then remove the chicanes from the BackStraight. [Disk Speed Test Mac Download](#)
